Membership Form

At only \$5.00 for a financial year the Membership enables you to be part of a group that has been established since 1993 and with the motto *"To preserve, restore and enjoy"* the Tuggeranong Homestead.

In April 1993, MOTH adopted the following statement of objects:

1. To protect, preserve and enhance the heritage value of the Tuggeranong Homestead site and environs (Section 450 Richardson in its entirety);
2. To encourage community recreational, educational, vocational and cultural activities on the entire Tuggeranong Homestead and environs site.
3. The protection, preservation and enhancement of the fauna and flora that are found within the bounds of the Tuggeranong Homestead and environs site.
4. Complete objection to urban residential development on any part of Section 450 Richardson; and
5. To investigate the possibilities of a community lease over the entire Tuggeranong Homestead and environs site.

These core objects are still relevant especially in view of the recent changes proposed by the ACT Government in Draft Variation 196.

Our Treasurer would welcome your membership payment as a cheque or money order at your next opportunity. You can send it to him by mail together with your membership details (using the form below) to:

We look forward to having you as a member to assist the preservation of Tuggeranong Homestead into the future. A thought .....  
*Preserving our heritage, no matter how humble, is so important. We don't even know what abilities future generations will have to utilise what we preserve, but if we don't preserve it, we will be rightly due for their curses.*

Many thanks
